UNITED STATES OF AMERICA,
Plaintiff,

v.

NIAL SILVA,
Defendant.

Case No. CR 16 - 00787 SOM

I N F O R M A T I O N

Title 18, U.S.C., Section 371-Conspiracy
(Felony)

The United States Attorney charges, at all times material:

COUNT 1

CONSPIRACY – 18 U.S.C. § 371

1. Defendant NIAL SILVA (SILVA) was a police officer employed with the Honolulu Police Department (HPD), assigned to the HPD's Criminal

Intelligence Unit (CIU) as a technician. The CIU was a specialized unit of the HPD, chosen by the executive staff of the HPD to gather intelligence in organized crime and terrorism cases. SILVA was supervised in CIU by a lieutenant and a captain, who ultimately reported to the HPD's Chief of Police.

2. The United States Postal Inspection Service (USPIS) was a law enforcement agency of the United States and arm of the executive branch designated to support and protect the United States Postal Service and its employees, infrastructure, and customers; to enforce the laws that defend the nation's mail system; and to ensure public trust in the mail. As part of its lawful and legitimate functions, USPIS investigated crimes against the property of the Postal Service and, where sufficient evidence existed, referred such offenses for criminal prosecution.

3. The United States Attorney's Office for the District of Hawaii (USAO-Hawaii) was an agency of the United States and arm of the executive branch that, among other matters, prosecuted violations of federal criminal law in the United States District Court for the District of Hawaii (USDC-Hawaii).

4. Beginning on a date unknown, but no later than June 21, 2013, and continuing up to and including June 2, 2016, within the District of Hawaii, defendant NIAL SILVA and other co-conspirators did knowingly and willfully combine, conspire, and agree together, with each other and with others to commit the following offenses against the United States:

- a. To knowingly alter and falsify records, documents and tangible objects with the intent to impede, obstruct, and influence the investigation of a matter within the jurisdiction of a department and agency of the United States, in violation of Title 18, United States Code, Section 1519;
- b. To corruptly obstruct, influence, and impede an official proceeding—that is, a federal criminal prosecution brought in the USDC-Hawaii—in violation of Title 18, United States Code, Section 1512(c); and
- c. To knowingly and willfully make a materially false, fictitious, and fraudulent statement in a matter within the jurisdiction of the executive branch of the Government of the United States—that is, the investigation and prosecution of an individual for a mailbox theft—in violation of Title 18, United States Code, Section 1001.

It was a purpose of the conspiracy to alter evidence and documents, provide false information to the USPIS and the USAO-Hawaii, and present false testimony and evidence in a criminal trial in the USDC-Hawaii, in connection with a criminal investigation and prosecution of G.K.P. for allegedly stealing a United States Postal Service mailbox.

//

MANNER AND MEANS OF THE CONSPIRACY

5. It was part of the conspiracy that in order to frame and discredit G.K.P., Co-conspirator No.1 (CC1) would falsely claim that a United States Postal Service mailbox in front of CC1's residence in Honolulu, Hawaii had been stolen.
6. It was further part of the conspiracy that in order to conceal and alter evidence of the alleged theft, Co-conspirator No.2 (CC2), a HPD police officer, would retrieve the hard drive from a security system at CC1's residence, prior to CC1 actually reporting the theft to HPD.
7. It was further part of the conspiracy that CC2 would deliver the hard drive to SILVA at HPD headquarters, review the recording on the hard drive, and falsely identify a person depicted on the recording taking the mailbox as G.K.P.
8. It was further part of the conspiracy that SILVA and CC2 would falsely claim that they had met at CC1's residence on the day the alleged theft was reported, checked the security system, verified its accuracy, retrieved the system's hard drive, and transported the hard drive to HPD headquarters.
9. It was further part of the conspiracy that Co-conspirator No.3 (CC3), a HPD police officer, instructed SILVA to maintain the hard drive contrary to HPD policies regarding evidence retention in order to conceal evidence of the alleged theft.
10. It was further part of the conspiracy that even though the hard drive was seized by CC2 prior to the report of the theft, Co-conspirator No.4 (CC4), a HPD

police officer, would falsely claim that on the day the alleged theft was reported, CC4 assigned CIU officers to go to CC1's residence to retrieve the hard drive.

11. It was further part of the conspiracy that the conspirators would write false and misleading HPD reports about the circumstances of the alleged theft, the seizure of the hard drive, and the identification of G.K.P. as the perpetrator and provide those reports to USPIS and USAO-Hawaii to support a prosecution of G.K.P. for theft of a United States Postal Service mailbox.

12. It was further part of the conspiracy that the conspirators would make false and misleading statements to federal agents, including USPIS Inspectors, and provide false and misleading testimony during the federal criminal trial of G.K.P. in USDC-Hawaii.

OVERT ACTS

In furtherance of said conspiracy, and to affect the objects thereof, the following overt acts, among others, were committed within the District of Hawaii:

t. On or about December 4, 2014, CC2 texted SILVA about the false evidence provided in the federal criminal trial of G.K.P.

u. On or about November 19, 2015, at about 3:42 p.m., after being contacted by the Federal Bureau of Investigation (FBI) about G.K.P.'s trial, CC2 called SILVA.
